The Moran family would like to thank you for all your prayers and concern during our recent trip to Zambia, Africa.

## Blankets

for the Kentucky Baptist Childcare Trailer

## How do children deal with disasters?

Imagine you are a child who has lost your home, your clothes, your toys, your security. This is a heart-breaking thought! You and your church can make a difference for a child recovering from disaster. Our new **Kentucky Baptist Disaster Relief Childcare Unit** will respond when disasters strike. The unit is equipped with everything needed to minister to children. You can be part of this ministry in a tangible way. Warm, cuddly blankets offer comfort and security to children who have been impacted by a crisis. We need your help in providing blankets for each child.

## How you can help...

Purchase or make a blanket for a child

- Must be new
- Can be quilted, fleece, cotton, etc.
- Approximate size: 36 inches x 48 inches

- **Project Dates: February 1-28, 2012**
- Your blankets can be dropped off at the church office or given to Patti Campbell, WMU DIR.

This is a joint project between the Kentucky Disaster Relief and the Kentucky WMU.
